

Medical Statement to Request School Meal Modification

Important! Please carefully read and follow the procedures for the meal modification category below. The school will return incomplete Medical Statements to the parent/guardian. If you have questions about this form, the school contact named in Part A below will assist you.

- Modification due to a food allergy/intolerance, or other medical condition that does not rise to the level of a disability:**
- A school has the option to make meal modifications prescribed by a medical authority due to a food allergy/intolerance or other medical condition that does not rise to the level of a disability. See the definition of disability on the bottom of this form.
 - Part B of this form must be completed by a medical authority who is a licensed physician (MD or DO), physician's assistant (PA), or advanced registered nurse practitioner (ARNP).
 - Parts A and C of this form must also be completed before the school can make meal modifications.
 - If a school chooses to make the meal modifications, they will continue until a medical authority requests that the modifications be changed or stopped on Form SD-3, which is available from the school.
 - You and your medical authority will be asked to update this plan annually.
